## PARADISE HORSEMEN'S ASSOCIATION SURVEY

Your opinion is very important to us so our organization can continue to grow and meet the needs of its members. This survey will be used by the PHA Board in scheduling activities in which the membership is interested in. Please indicate using a scale of 1 to 5 (1- not interested at all , 2- somewhat interested,3- your interests could go either way, 4- interested, and 5- very interested) Please be honest in making your selections as to your desires so that we can bring a little bit for everyone.

In order for PHA to provide these activities, we need committees to help organize them. It is the members in these committees that make these events and activities a success. We are looking for volunteers to assist in these for the 2013 year. Please mark what areas in this section that you would be willing to volunteer your time. If we each do our small part, BIG things can happen. The more volunteers we have will lighten the load on the few who are now serving on these committees to ensure they are a success.
